1. CC	URSE OVERVIEW AND INFORMATION						
1.	Course includes Welcome and Getting Started content.						
2.	An orientation or overview is provided for the course overall, as well as in each module. Learners know how to navigate and what tasks are due.						
3.	Course includes a Course Information area that deconstructs the syllabus for learners in a clear and navigable way.						
4.	A printable syllabus is available to learners (PDF, HTML).						
5.	Course includes links to relevant campus policies on plagiarism, computer use, filing grievances, accommodating disabilities, etc.						
6.	Course provides access to learner success resources (technical help, orientation, tutoring).						
7.	Course information states whether the course is fully online, blended, or web- enhanced.						
8.	Appropriate methods and devices for accessing and participating in the course are communicated (mobile, publisher websites, secure content, pop-ups, browser issue, microphone, webcam).						
9.	Course objectives/outcomes are clearly defined, measurable, and aligned to learning activities and assessments.						
10.	Course provides contact information for instructor, department, and program.
